Dedication

Visible — this aptly describes Mr. Kirkpatrick, for he is always present in our activities. In his effective management of the school, his involvement with the students, his good nature, understanding, and consideration, Mr. Kirkpatrick is more than a principal; he is a friend. He has given twenty-three years of service to WFHS, nineteen as teacher and coach, and the last four as principal. The seniors feel especially close to him since he returned to WFHS the year they enrolled as freshmen.

The Annual Staff proudly dedicates the 1974 *Coyote* to Mr. Hunter Kirkpatrick, a true Coyote in every sense of the word.

1973 COYOTES

Honor, pride, desire, and unity — these are qualities possessed by the 1973 Coyote football team. Undefeated through nine consecutive games, the Coyotes fell to an enthusiastic cross-town rival Rider Raider team in a hard-fought battle. Despite this upset, the Coyotes held a brilliant 8-1-1 record, finishing as the co-champions of District 6-AAAA.

In the season opener, the Coyotes traveled to Lubbock Coronado. The first half provided most of the scoring action as the Coyotes reached paydirt on several long runs. The final score read 20-7 in favor of the Pack. In the second week of action, the Coyotes hosted the Amarillo Sandies. Remember-

ing the previous year's only regular season loss, the '73 Coyotes fought their over-sized opponents to obtain a well-deserved 14-14 tie in the last few seconds of play. The next week's opponent was cross-town Hirschi. On a night of several Coyote interceptions, the Pack tamed the Huskies 14-7 with the Huskies' lone score coming as the result of a disputed screen pass a few seconds before halftime.

District play opened against L. D. Bell as the Coyotes handed the Raiders a 28-7 loss in a completely Coyote-dominated contest. Next the Coyotes traveled to battle Castleberry on a miserable night for football as the rain continuously

DISTRICT CO-CHAMPS

poured. The Coyotes swam to a satisfying 12-0 victory. The next few weeks showed some typical Coyote execution. Beginning with the Haltom City Buffaloes, the Pack demolished them 32-0; the Mineral Wells Rams were disappointed 47-7; and the Richland Rebels were embarrassed 46-7.

The ninth game of the season proved to be a crucial one as the Trinity Trojans came to town. When quarterback Sam Williams dropped back to test an improving passing game, he suffered a broken collarbone. With Larry Francisco filling in, the Coyotes went on to win 28-0.

On November 16, the Coyotes fell to Rider 18-7. On a

night when the ball never seemed to bounce in the Coyotes' favor, a fired-up Raider defense slowed the Coyotes' rushing game several times. Thus, for the first time in eight years, the Coyotes did not represent District 6-AAAA in the state playoffs, but they did have the honor of being District Co-Champs.

By no means has the era of the Coyotes ended. For as long as there is schoolboy football in Texas, the name of the Mighty Coyotes will doubtless be honored, cherished, and feared throughout the entire state.

Schedule

It was the year of the seniors as the Coyotes compiled one of the best overall records in recent history. The Pack started out strong early in the season by winning the Burkburnett Tournament. They reached the finals in both the Midwestern and Lubbock Caprock Tournaments. Nat Lunn was named the most valuable player at the Caprock Tourney, and made the all-tournament team at Midwestern.

District play was inspired at times as the Coyotes stayed in first place or tied for first the entire schedule. The season ending was of the Hollywood brand — the team needed a victory over Rider to force a playoff game with Richland to decide the district championship. It took a triple overtime thriller to extinguish the championship fires as the Pack had to settle for the second best record in district.

It was Coach Steve Middleton's first year as head basketball coach, and he showed many he had the talent to mold a winning team. This was Coach Randy Byers' first year also. The season ended with a record of 22-9.

Nat Lunn
Mark Campbell Award Winner

The recipient of the Mark Campbell Award for the 1974 Coyote basketball season is Nat Lunn. The award is named in honor of Mark Campbell, a former Coyote basketball player who met a tragic death. The award is given annually to the senior player displaying the best ability and leadership.

The future Coyote hopefuls have given Coyote fans something to look forward to next year. The Rowdies under the direction of Coach Byers streaked to a season of 19 wins and 7 losses. They finished second in district with a record of 11-3.

The Pups, guided by Coach Phillips, also compiled a winning season. Their "A" team ran up a 13-8 record while the "B" team showed that they too could play. They finished 6-1.

Coyote Tennis Team

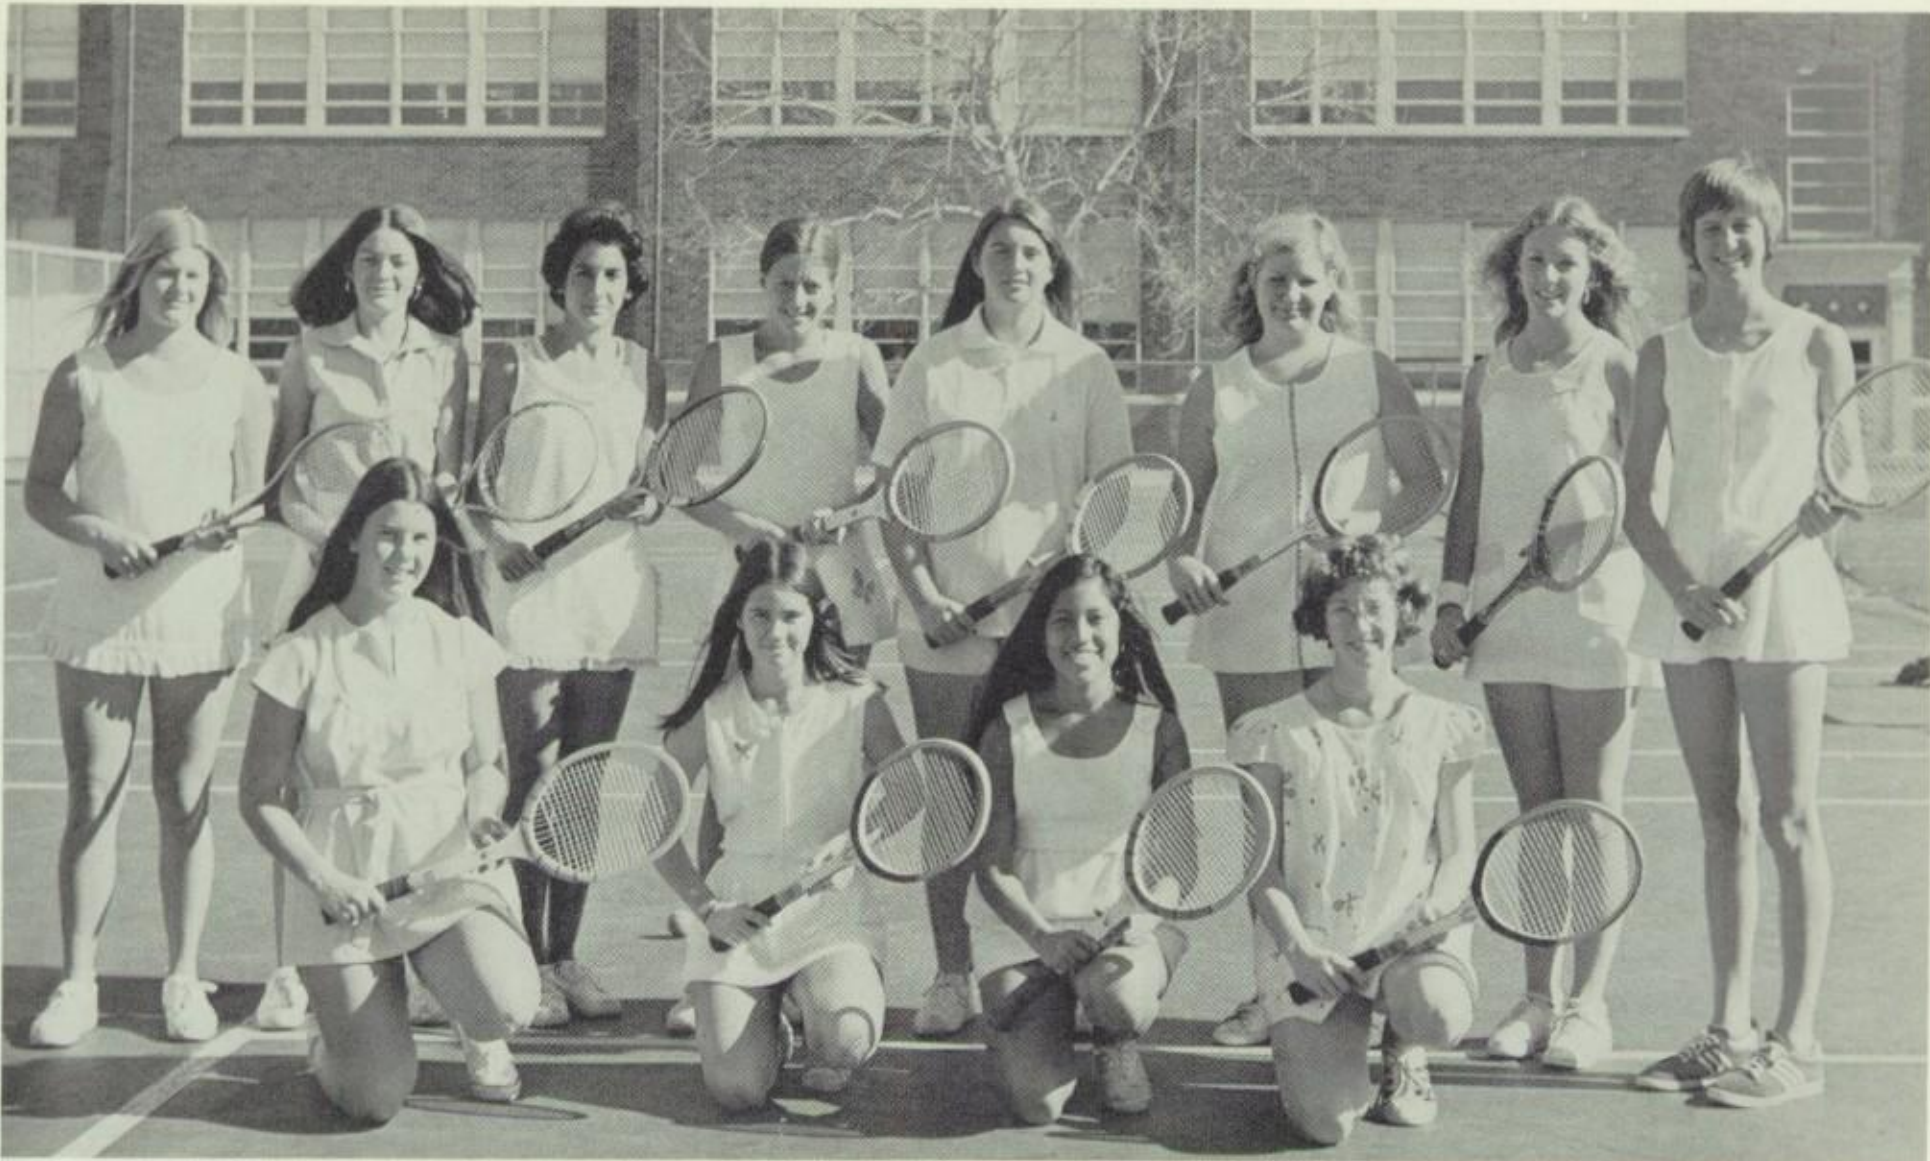

Once again Coach Chuck Avera has produced a winning tennis team for 1974. They showed great skill in their first real tournament of the season, the W. F. Invitational, by winning the Frank Bowdle Trophy. It is with regret that this year goodbyes must be said to the man who has brought fame to WFHS through five state championships, nine runners-up, and outstanding teams each year since he first came to this school twenty-one years ago. His replacement, R. Glen Schmittou, who has been teaching mathematics here, is a former tennis player from Abilene, a coach from Spring Branch in Houston, and a pro from the Houston Country Club. He is determined to uphold the quality of WFHS tennis players — a quality that comes from the team's tremendous spirit of togetherness that makes each individual an important part of the whole. It is this spirit that makes any team a great one.

The Drama Department of WFHS began in 1914 as the Blue Curtain Players. In 1936 the group's name changed to the Footlight Players Club. The organization was admitted to the National Thespian Society in 1951, and in 1970 the national club became the International Thespian Society. This year under the direction of Pat Jackson and Brandys Stewart, WFHS Thespians presented *Rumplestiltskin*, *You Can't Take It With You*, *The Egg and I*, and *The Night Thoreau Spent in Jail*. Members devoted much time and effort in representing WFHS in tournament and contest work. The Speech Department also hosted our school's first tournament in many years.

Mr. G. H. Kirby has given 34 years of dedicated service to the Wichita Falls public schools. Beginning in 1940 as a classroom teacher at Fannin Elementary School, he later served as a principal, director of elementary education, assistant superintendent, deputy superintendent, and since 1970 superintendent of Schools.

Much of the progress and success of the Wichita Falls schools in recent years is due to his perspicacity, wisdom, and guidance.

It is the goal of Wichita Falls High School to help each student develop his abilities and personality to his greatest potential and to recognize each as an individual. As each person continues to grow as an individual and also becomes a member of an organization, we, as a school, develop into a stronger educational institution. Well developed individuals welded together through our academic, athletic, and co-curricular activities create a united student body that will continue to make Wichita Falls High School outstanding in her achievements.

"Dit Dit Dit Da"

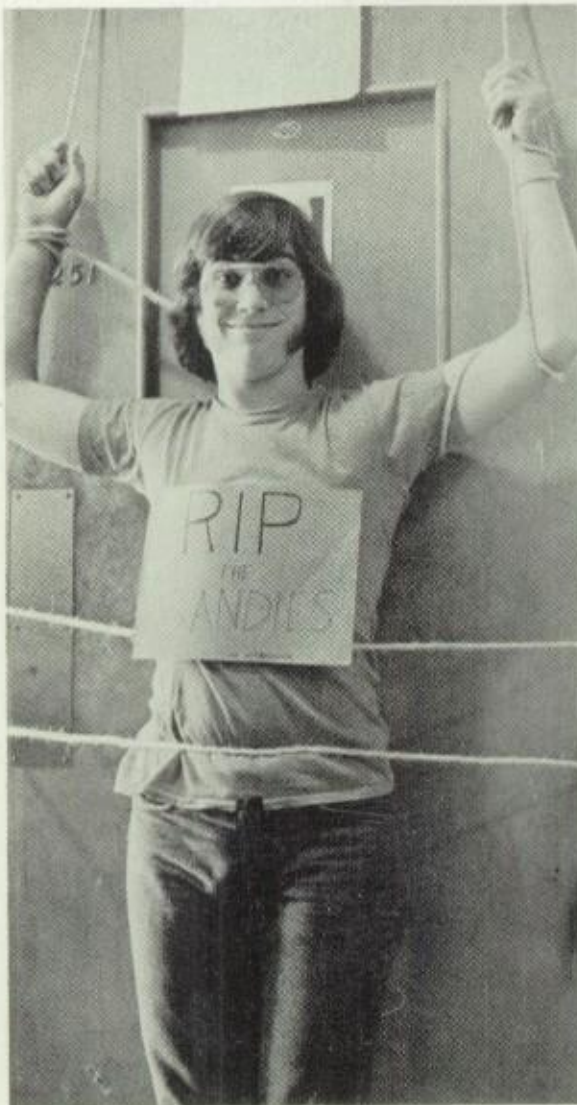

"The annuals are here!"

"Does it hurt very much, Mr. Quarterback?"

"Hands off, ladies!"

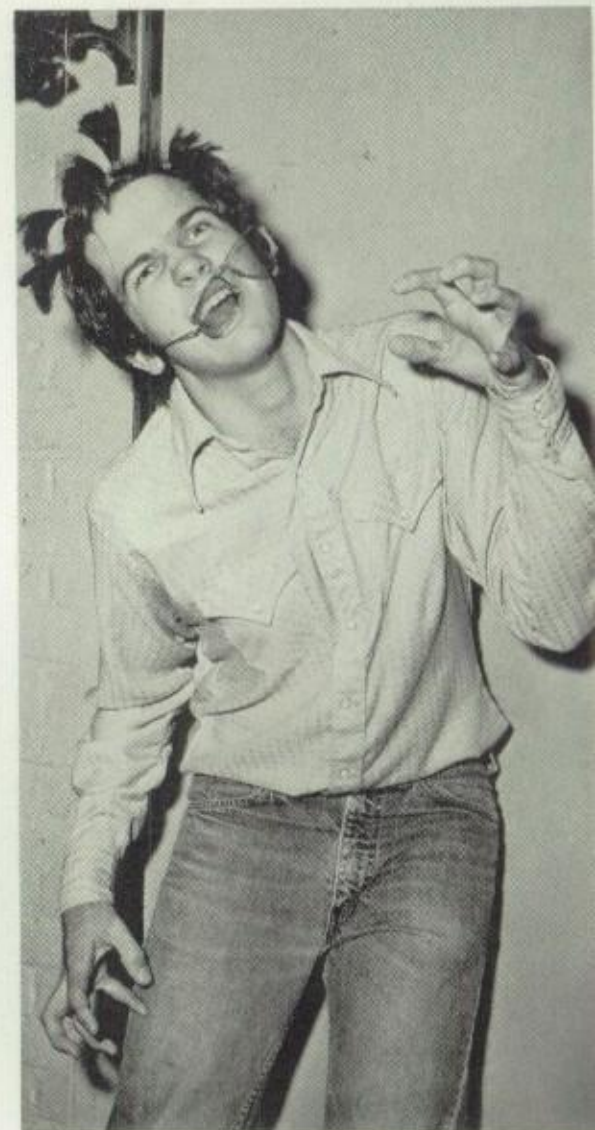

"I'm all tied up at the moment."

"Stop or I'll squirt."

A small coke and good gas mileage.

They come out only at night.

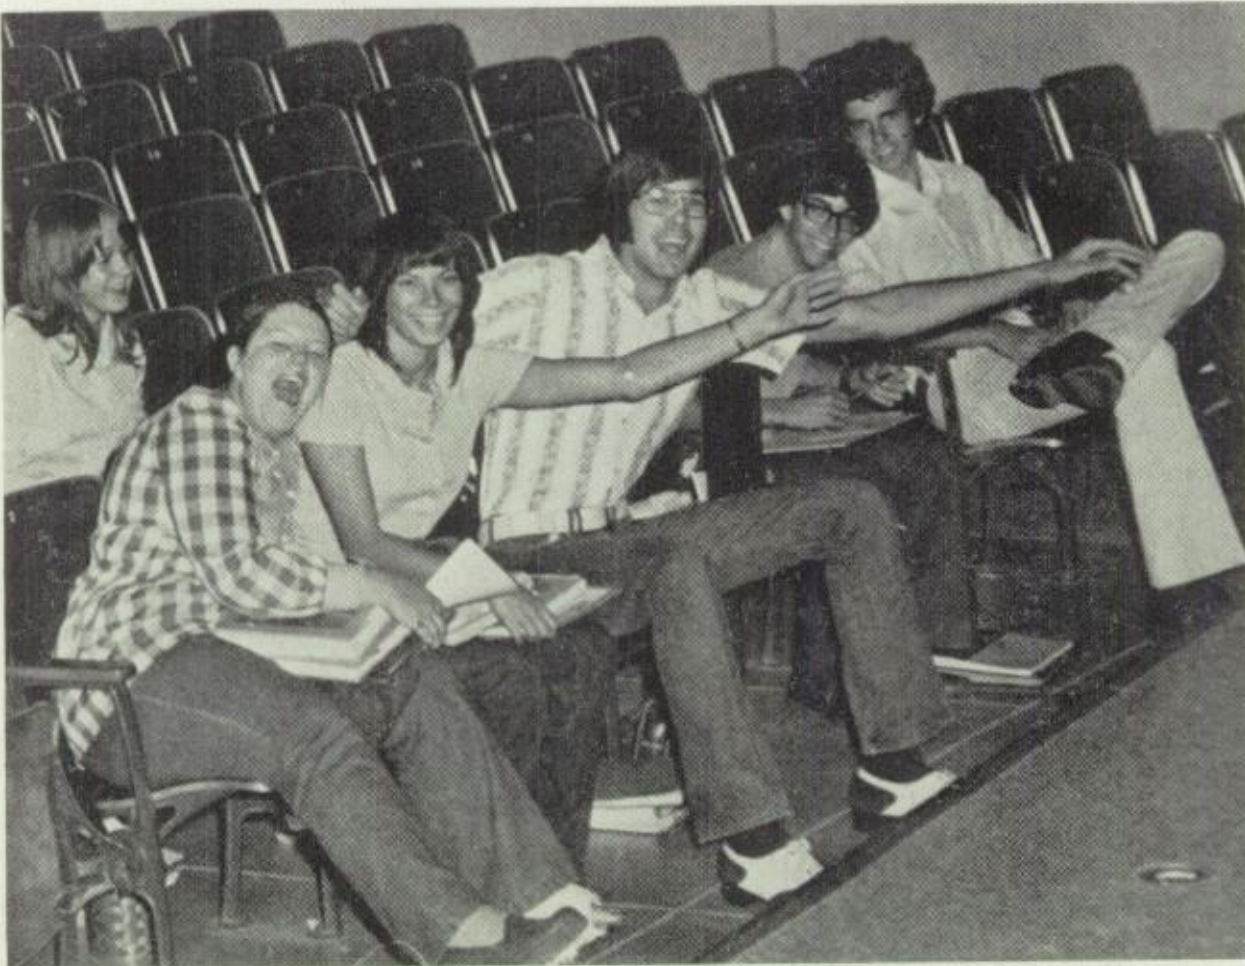

Seniors show super spirit slaughtering Sandies.

Senior Dress-up Day?

"My eyelashes are stuck to my eyebrows!"

"And now, HEERRRE'S Clint!"

"Are my ears on straight?"

"... but, Tom, Mother never told me about bus trips."

In winter I get up at night and go to school by candlelight.

Larry will do anything to get his picture in the annual.

How do you play a balloon?

It's not easy.

This is a basketball.

Physical Improvements

Mrs. Darrold A. Cannan, continuing the philanthropy of her parents, Mr. and Mrs. C. W. Snider, to WFHS, gave the money to air condition Snider Library. Students for many years to come will read and study there in comfort because of her generosity.

We Can Make It Happen

Commendable efforts by the Student Council resulted in the realization of a dream for most students. After countless sock hops and Christmas pin sales, the council obtained enough financial support from the student body to fulfill its part in the deal with the city to pave the parking lot. This shows not only what was done by this year's classes, but what can be accomplished by classes in the years to come.
